10. GIVEN THE THOUGHTS ABOVE, WITHIN CRU AT UNC'S MINISTRY ON CAMPUS, THE FOLLOWING MOTIVATE ME THE MOST: (Write WHY beneath the area)

-Outward Impact: Evangelism on campus

-Community: Developing community amongst the movement and into pockets outside of the Cru community.

-Prayer: Helping others be a part of praying for what the Lord wants to do.

-Weekly Meeting: Helping create an environment where believers and non-believers can come and be exposed to Christ.

-Retreats: Creating times where the movement leaves campus to be challenged and refreshed.

-Campus Relations: Connecting with other campus groups not necessarily sharing our beliefs; building bridges to show and share Christ with other communities.

-Sending: Helping create awareness about the opportunities that Cru offers to "GO" to the world, both near and far.

-Bridges: Building relationships with International Students in order to be allowed to share your faith in Christ.

-Technology: Using your gifts and passions to be creative in the dissemination of information relevant to the movement and the campus.

-Small Groups: Being a part of leading a small group Bible Study to help others grow in community, Biblical Knowledge and outward impact.
